Secretary Frelinghuysen has sent a letter to the house of representatives, based upon reports of consuls in England, France, Germany and other countries, showing that labor is much better paid in America than in Europe, that the purchasing power of money is greater here, and that artisans in this country are much better fed, clothed and housed.

When a gentleman said to Governor Cleveland the other day that he was the first Democratic president he had ever seen, Governor Cleveland re-sponded, "I am the first one I ever saw myself."
